Adhar Abhisheks (18 Abhisheks) is the pujan of 18 different types of Abhisheks, with holy water and different "Aushdhis " collected as per the specific guidance provided in the Jain Shashttras. This holy ceremony is an annual ritual performed with Dhwaja Arohan Vidhi when we change the flag on the top of the temple on the anniversary day. Below is a picture of the Dhwaja.

If you are interested in any of the Abhisheks, please contact one of the religious committee leads.
